

-  George Eliot Trail cycle route
-  Alternative route to take in the churches at Attleborough & Bedworth

# Route round the churches of George Eliot country

## HISTORIC CHURCHES RIDE & STRIDE

WARWICKSHIRE & COVENTRY  
HISTORIC CHURCHES TRUST

**RIDE OR STRIDE**  
round the historic churches of  
**THE GEORGE ELIOT COUNTRY**

**Join us on a tour round some of the churches of the George Eliot country, part of the annual sponsored cycle ride organised by our county Historic Churches Trust**

Half the money you raise will go to the church of your choice; the other half to the Trust to enable them to help others with repairs to churches within the county.

A recommended route is set out overleaf. Whilst the whole Ride is around 15 miles in length (including the diversion to Attleborough and Bedworth churches), this can easily be adjusted by omitting some of the churches. Fuller details of the route and the connections with George Eliot can be found in the booklet published by the Nuneaton and Bedworth Borough Council, entitled *George Eliot - Scenes Trails* and available from the tourism office (tel 024 7637 6376). The 1:50,000 OS maps of the area will also be useful. Refreshments can be found at pubs and cafes along the route. Care is needed in crossing main roads and the safety recommendations on the sponsorship form should be followed. Sponsorship forms and other details of the Ride are downloadable from the Divine Inspiration website ([www.divine-inspiration.org.uk](http://www.divine-inspiration.org.uk)); other information can be obtained from Jeanette Sutton (07947 576919) or Keith Buckley (024763 28080).

**ORGANISED WITH DIVINE INSPIRATION**
